

Transfer Center

About the Transfer Center

The Transfer Center provides services that directly assist potential transfer students preparing for upper-division work at a four-year college or university. The center attempts to identify and encourage students who choose transfer as their educational goal.

Services

Advising sessions with university representatives and transfer workshops are among the services the center provides. (For transfer recommendations and important dates, see Transfer Center Services.)

Transfer Center faculty coordinate all University of California transfer admission guarantee programs, which are described in the Transferring Coursework section of the catalog.

Counselors are available for all students who wish to have an individual student educational plan tailored to their personal goals. In addition, the center provides counseling for special programs, such as UniversityLink and the Honors Program.

Contact Information

The Transfer Center is located on the Oceanside Campus in Building 3700. We offer appointments at the Oceanside Campus, the San Elijo Campus, and online via Zoom. For more information, please visit the Transfer Center webpage or call 760.795.6880.
