

Distance Education

miracosta.edu/online

MiraCosta College offers classes and resources online to provide students with a flexible option for attaining success through superior educational opportunities and support services.

- ▶ Fully online classes at MiraCosta require all coursework and activities to be completed online. Classes offered *100 percent online* have no face-to-face requirements. Some of these classes have no scheduled online meetings and are listed in SURF with a room location of **Online**. Other classes may include scheduled online meetings and will be listed in SURF with the days and times of meetings, with a room location of **Zoom**.
- ▶ *Hybrid* classes at MiraCosta require both in-person and online activity. Some hybrid classes require regular meetings at a MiraCosta College campus while others require physical presence only for proctored exams.

Online classes comprise equivalent content and satisfy the same academic requirements as their on-campus counterparts.

The college provides a wide range of free online support services to assist **all** students, including online counseling and advising, online tutoring, online writing feedback from the Writing Center, live chats with college librarians, and technical support through the Student Help Desk. The college provides many one-hour Student Online Academic Readiness workshops each semester. Students can find links to all of these resources, as well as a schedule showing all open 100 percent online and hybrid course sections being taught at MiraCosta, at miracosta.edu/online.
