

Distance Education

miracosta.edu/online

MiraCosta College offers classes and resources online to provide students with a flexible option for attaining success through superior educational opportunities and support services.

- ▶ Fully online classes at MiraCosta require all coursework and activities to be completed online. Classes offered *100 percent online* have no face-to-face requirements. Some of these classes do not have scheduled online meetings and are listed in SURF with a room location of **Online**. Other classes may include scheduled meetings and will be listed in SURF with the days and times of meetings, with a room location of **Zoom**.
- ▶ *Hybrid* classes at MiraCosta require both in-person and online activity. Some hybrid classes require regular meetings at a MiraCosta College campus while others require physical presence only for proctored exams.

Online classes comprise equivalent content and satisfy the same academic requirements as their on-campus counterparts.

The college provides a wide range of free online support services to assist **all** students, including online counseling and advising, online tutoring, online writing feedback from the Writing Center, live chats with college librarians, and technical support through the Student Help Desk. The college provides a one-hour Student Orientation to Online Learning multiple times each semester, both in-person and online. Students can find links to all of these resources, as well as a schedule showing all 100 percent online and hybrid course sections being taught at MiraCosta, at miracosta.edu/online.
