(See Degree and Certificate Programs (<https://www.miracosta.edu/academics/degree-and-certificate-programs/>).)
- ▶ **Academic Map.** A term-by-term suggested sequence of courses for obtaining a certificate or degree or for preparing to transfer in a major/program. Academic maps are available under the Academic and Career Pathways on the college website. (See Degree and Certificate Programs (<https://www.miracosta.edu/academics/degree-and-certificate-programs/>).)
- ▶ **Academic Renewal.** A process through which students can petition to exclude low grades from their MiraCosta College grade point average. - ▶ **Advisory.** Recommended preparation that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program. Students have the right to take a course without meeting the advisory and are encouraged to do so if they feel that their education, work experience, or other circumstances have prepared them.
- ▶ **Application for Admission.** This form must be completed before a new student is allowed to register for classes. Returning students who have missed one semester (excluding summer intersession) must submit a new application.
