## About the Health Sciences ACP

Ready to unlock opportunities for impactful careers in healthcare and wellness? The Health Sciences ACP offers hands-on training through diverse programs that prepare you for success in one of the fastest-growing industries. Gain skills that connect passion with purpose for meaningful career opportunities.

- ▶ Areas of study within this ACP will provide a strong foundation for transfer in the fields of medical practice, nursing, nutrition, and physical education.
- ▶ The career-track certificate and degree programs will prepare you for careers in registered nursing, athletic training, fitness, yoga teaching, medical assisting, nursing assisting, medical coding, and other health-related fields.

## Careers in Health Sciences\*

- ▶ Registered nurses (RNs), licensed vocational nurses (LVNs), certified nursing assistants (CNAs), public health nurses, and school nurses.
- ▶ Medical assistants, medical records technicians, and medical coders.
- ▶ Athletic trainers, fitness trainers, yoga teachers, yoga physical therapists, physical therapy assistants, and dietitians.
- ▶ Physician assistants, health care managers, nurse practitioners, clinical nurse specialists, nurse midwives, physicians, and pharmacists.
- ▶ Dental hygienists, radiologists, radiologic technicians, and occupational therapy technicians.

*\*Many of these careers require a bachelor's degree or higher.*
