

Transfer Center

Oceanside, Building 3700: 760.795.6880

www.miracosta.edu/student-services/transfercenter

The Transfer Center provides services that directly assist potential transfer students preparing for upper-division work at a four-year college or university. The center attempts to identify and encourage students who choose transfer as their educational goal. Advising sessions with university representatives and transfer workshops are among the services the center provides. (For transfer recommendations and important dates, see Transfer Center Services in the Transferring Coursework section of the catalog.)

Transfer Center faculty coordinate all University of California transfer admission guarantee programs, which are described in the Transferring Coursework section of the catalog. Counselors are available for all students who wish to have an individual student educational plan tailored to their personal goals. In addition, the center provides counseling for special programs, such as UniversityLink and the Honors Program.
